

The Vissari rangehood collection has been designed and perfected by the team at Rangehood Solutions.

We have been able to create an exclusive product range that meets contemporary design, excellent extraction performance and durability with our high class brand Vissari.

Our range comes in a variety of styles to match any kitchen, from the remote motor silent series range for a silent powerful rangehood, our canopy rangehoods and the concealed powerpak range.

All our Vissari range is covered under a 5 year NZ parts failure warranty.
